ORAL ORDER

This matter was heard earlier. It became necessary to look at the record. Learned Assistant Government Pleader Shri Sompura agreed to keep some official from the concerned office present with the record on 19th July 1996. Apropos, the record was brought and it was perused. Learned Advocate Shri Patel for the petitioner however did not remain present. He did not turn up yesterday and has not turned up even today. This petition is therefore rejected for default of appearance. Rule is accordingly discharged with no order as to costs.
